1 Extra Recycling Cart = \$5.50 per month

We want you to use trash bags no bigger than 30-gallon size, smaller is fine.

The totter cart we provide is a 96 Gallon trash/recycling can with an attached lid and wheels on one side, easy to tilt and roll around. We ask that trash be bagged in the trash totter to help with cleanliness and Recycling is to be loose in the totter.

We ask for a three-month payment up front, which covers your first three months. After that you may pay as many months at a time that you wish; 1 month, 2 months, 3 months, etc.

We offer online payment options such as one-time payments and auto pay. We also accept over the phone payments, mail in payments or you can bring it to our facility during our business hours.

### **EXTRA BAGS:**

Cost is \$4.00 per bag (30 Gallon)

If you have extra bags to get rid of, you need to call the office the day before your pickup day, so we can let the driver know there will be extra out.

**Bulk items** cannot be accepted curbside, they can be brought to the transfer station. If you do not have a way to bring bulk items to us, please call the office we will have some suggestions for you.
